Chapter 1 by Story Wars

I'm moving as fast as I can, the stomping sound only getting more hostile and stronger as I run, how can this be?

I turn my head back, he's still on my tail.

I speed through the halls, going past the portraits, signs and doors that will ultimately lead to my demise.

I take a right an- oh no, a dead end....

Theres a door, but... it has a code lock.... I guess the code, **1156**

BEBEP

I was right! I run in, slam the door and lock it, then proceed to move 2 frames, a tool cupboard, and a box infront of it.

There's a box full of... Explosives, Guns, Ammunition and Armour....

I'm bleeding fast, I'm heavily injured and I barely have time, my watch is screwed too, I'll have to work fast.
